PUBLIC NOTICE No. 18/2018
Dated 04.06.2018

Subject:- IGST refund for exports – Shipping Bill wise EGM errors and rectification process – regarding

Attention of all exporters, CHAs, Shipping Lines and members of Trade is drawn to Circular No. 06/2018 dated 16.03.2018 related to steps to be taken in shipping bills with EGM based error code SB006 with sub-error codes for their speedy rectification.

2. In this regard, it is brought to the notice of all concerned that a special Fortnightly campaign has been started from 31.05.2018 extending upto 14.06.2018 for resolving the errors prevailing in the IGST refund claims.

3. The sub-error code description, the reasons for the error and possible resolutions are tabulated below:-

Sl. No.	Sub-error code	Code description	Reasons for Error	Possible Resolution
1	C	Container No. Mismatch	If the Container Number mentioned in the shipping Bill (S/B) differs from the Container number mentioned in the EGM against that S/B, EGM will be submitted with error flag 'C' and the S/B will move to the EGM Error Queue with this error code	The preventive officer of the Gateway Port Customs Commissionerate can amend container details in the Gateway EGM CTR Amendment Option to remove the mismatch after verifying the package and quantity details and satisfying himself that there is no short shipment
2	N	Number of Container Mismatch	If the total Number of containers mentioned in the S/B differ from the Total Number of containers mentioned in the EGM against that S/B, EGM will be submitted with error flag 'N' and the S/B will move to the EGM Error Queue with this error code	

3	L	LEO date greater than Sailing date	If LEO granted for a S/B is cancelled in the System for amendments, the same would be granted again after carrying out the amendments in the System. If Sailing Report for the vessel (EGM), under which the said S/B is covered, is entered in the System before granting the subsequent LEO, then EGM will be submitted with error flag 'L' At times, while entering the Sailing Report, the Preventive Officer posted at harbour main Gate may enter the sailing date wrongly.	The Customs Officer at the ICD-Export Shed can in case of error M fill in the actual gateway port of export, and in case of error L, the officer can give the actual sailing date as the LEO date after doing necessary verifications of actual exports as suggested in the advisory
4	M	Gateway Port code given in truck summary different from actual gateway port	Gateway Port code given in truck summary different from actual gateway port	

4. Further, in respect of sub error code "C" and "N" under Error code SB006, the exporters need to submit the following four documents to the Customs officials at Gateway Port:

- (i) Shipping Bill
- (ii) Packing List
- (iii) Invoice
- (iv) Bill of Lading.

5. Accordingly, the exporters can directly approach the respective gateway port Custom Commissionerates for resolution of the errors in the manner indicated above. The four documents mentioned above can also be sent by e-mail to the designated e-mail addresses tabulated below. For further co-ordination, the contact persons' names and their phone nos. are also metioned below.
